

Barbareño Private Events and Buyouts

At Barbareño we are dedicated to working with our guests to create unique and memorable dining experiences. For this reason, prices and details are subject to change based on guests' requests. Our space has served as an ideal setting for rehearsal dinners, family gatherings, business dinners, wedding receptions, social networking events, and more. Not all possible private party options are listed within this guide, so please reach out to us regarding parties that fall outside of these general guidelines. We are excited to work together to make your vision for your private event come to life!

Our Spaces

We have two spaces available for private events: **The De la Vina Patio** and **The Main Dining Room**. If your group is over 40 guests, we are able to do a joint buyout of both spaces, or expand the patio area. Please request details if you're interested in the expanded patio space.

With a succulent garden inside the perimeter wall, reclaimed wood pergola with protective canvas overhead, and hanging string lights gently lighting the area, **The De la Vina Patio** is the perfect setting for parties that want to enjoy our ideal Santa Barbara weather. Both heaters and blankets are available for cooler nights, and the space can be configured in several ways to accommodate your party.

The Main Dining Room is our premier dining space, which showcases refined rustic décor with warm tones, reclaimed wood, and an elegant long dining table. Various formats are available in this space, and the substantial bar area can be used for a reception period before guests are seated.

Final Billing

Billing will be based on either the applicable buy out Food & Beverage Minimum Spend, or the cost for your total consumption of food and beverages, whichever is greater. At the end of your event, if your Food and Beverage Minimum Spend has not been met, a room fee will be calculated for the remaining cost to reach the minimum. Wine, beer, and food are not available to be sold to-go to meet this minimum. Should your private party require special rentals, permits, or other additions, pricing will be determined by Barbareño to include these extra costs which will be included below in your Private Party Summary. These extra costs are in addition to the Food and Beverage Minimum Spend.

Food and Beverage Menus

Private Event Dinner Menu

Our set menu for **Private Events** is designed by our chef to fit your party's needs. This menu features many of our favorite dishes, which have been re-designed to be best suited for large groups with disparate palettes and preferences. Private party menus are all nine courses as standard, with an option for supplemental bread and butter service for \$5 per person. Additional courses can be added for \$15 per course with a limit of 2 additional courses. All courses are shared and are portioned by our chef depending on your party size. We've found this system to be the most effective in providing our guests an ideal dining experience representative of our restaurant and our cuisine. Pricing for the Private Event Dinner Menu is \$95 per guest not including additional courses or bread service.

Private Event Wine Menu

The options for a **Private Event Wine Menu** are chosen from our wine list by the party organizer and our events manager, or wine director, at least one week prior to the event. Generally party organizers will choose three to five bottles for their party's menu. For beer and nonalcoholic beverages, private event guests are able to choose from the full list of our selections. If you are interested in creating a wine pairing for your meal, please let us know, and we will put you in contact with our wine director to create a personalized pairing based on your preferences and dinner menu decisions. All beverages are charged on consumption. No outside beer or liquor is permitted. Our corkage policy is \$25 per 750ml bottle for the first two bottles and \$35 thereafter.

Securing your private event/ buyout

To secure your party's reservation, a deposit of 1/4th the food and beverage minimum and complete credit card information are required. All dietary restrictions/ special requests must be communicated 1 week prior to Special Events. *quoted prices are exclusive of 5% booking fee, ~8.75% tax and 20% gratuity, rentals, or other add ons.
